Mr. Peter Metcalfe
The Foundation for the Development of Africa

Dear Mr. Metcalfe

Thank you for participating in our inaugural Mandela Washington Fellowship Southern Africa Conference held last week at the **Southern Sun OR Tambo** in Johannesburg.

Your participation enriched the experience for the Fellows, Mentors and other guests. The feedback regarding the breakaway sessions has been positive and in some cases, Fellows are eager to continue the conversation. We would like to explore partnership opportunities further as our 2015 cohort of Fellows will be returning from their US leadership experience in August. We will be in contact with your office for a follow up meeting in the coming weeks. Again, thank you for your support.
